A New Home Welcomes Local Film Lovers

Beverley Film Society Announces Move to Parkway Cinema

Â

A new home with all mod cons is set to greet Beverley Film Society members this autumn, just in time for a brand new *season of films starting on Thursday 8th September.

Â

Following a full members' vote, Beverley Film Society is on the move to its new home at Parkway Cinema Beverley. This is the first purpose built setting for the member led film club, which began in 2006.

Â

Chair of Beverley Film Society, Antonio MÃ¼ndel, said: "We are sad to be leaving the Masonic Hall, which has been our home for several years and we would like to thank the team there for all of their support and enthusiasm.

Â

"With the new cinema moving to Beverley, many members felt we should support our new cinema and take advantage of its technologically advanced screens and equipment, comfortable seats, cafÃ© bar and access for all within the premises plus local parking is free after 5.30pm. We hope local lovers of film will come to our first screening of the new season on Thursday 8th September when we will be showing the French comedy, Populaire. We ask our loyal members to continue to support us and bring along new friends. Everyone will be made very welcome by us and Parkway Cinema."

Â

The move includes many brand new changes, including a major shift to its regular slot, which moves from a Friday to the second Thursday of each month. The new membership tier and Parkway Cinema online booking system will also give more flexibility to society members and their guests. The membership rate will now be Â£15 per year plus Â£3.00 per film for members (Â£6.50 for non members).

Â

In another first for the Society, members now have the chance to book their tickets in advance online at the Parkway Cinema website www.beverley.parkwaycinemas.co.uk or they can still buy on the night.

Â

â€œWe are delighted to welcome Beverley Film Society to the Parkwayâ€•, said Cliff Baillie, General manager of the Parkway Cinema Beverley. â€œThe Society has been bringing the best in world cinema for years and we are glad to be part of that.â€•
