Â

We hope you are all keeping safe and well. Thank you for your continued loyalty and support, even during these uncertain times. Our thoughts go out to all of you who have been affected by this unprecedented situation.

It is with a heavy heart that following the current advice and guidance received from the Government we have made the decision to temporarily suspend all routine dental care with immediate effect and restrict the dental care that we are able to provide to dental emergencies only.

Dental emergencies are classed as:-

Â Â â€¢ Oral/facial swelling from infection/abcess

Â Â â€¢ Accident causing significant dental trauma

Â Â â€¢ Excessive/bleeding after an extraction that has not responded to 30 minutes constant pressure (biting on a cotton pack or handkerchief)

Â Â â€¢ Extreme pain that has not responded to painkillers after 48 hours

If you feel you have a dental emergency please call 01482 770597.

Please be safe, take care of yourselves, your loved ones and your communities.

Kind regards

The Castle Park Dental Care Team.
