Â

Â

The East Riding Flower Club usually meets once a month on a Monday at 2.00 pm (unless otherwise stated) throughout the year at the Cottingham Civic Hall, Cottingham.

Affiliated to NAFAS - Charity No. 1101348

Our aim is to share our love of flowers by organising floral demonstrations by area and national demonstrators, together with workshops "for the terrified" and the more skilled arrangers.

We also hold competitions for members, talks, visits to gardens and shows, and as a registered charity to take part in fundraising events such as flower festivals.

Last year our members took part in festivals across the region, including Hessle and The Holy Trinity, Hull. This year we are pleased to be arranging flowers in St. Mary's Church, Cottingham at the beginning of July. The theme is "Characters of Cottingham". Plans are far advanced and we look forward to the challenge of transforming this beautiful church into an interesting show.

Our club was formed nearly fifty years ago and always welcomes new members and visitors. It is not necessary to be an arranger, but we hope to spread our love of flowers.
