What is PROBUS ?

Â

The name is an acronym forÂ PRO(fessional)and BUS(iness) hence PROBUS

Â

These clubs are an organisation forÂ retired men and women who want to and are able to remain active and also want to maintain a social network with others of similar interests.

Today there are over 4000 clubs worldwide.

Since 1966 Rotary Clubs have formed PROBUS Clubs throughout Great Britain, Ausralia and New Zealand.

Clubs also exist in the USA, Belgium, India, South Africa and Asia.

PROBUS clubs are not service organisations and are non political and non-sectarian although many members are often active in community organisations and charitable works.

Clubs provide social events and invite speakers from all walks of life to keep members up to date with both local and national issues

Outings and visits are arranged. Some have special interest groups such a golf or bowling.

Some clubs meet monthly and others fortnightly, some just have coffee mornings with a speaker or a social event, while others meet at a regular venue for lunch with a speaker.

The format is decided by the members.

Â

So what does this Club do

Â

This PROBUS club was formed in 1969 and meets every second Thursday at the BACK ROOM

HALLGATE COTTINGHAM

We alternate these Thursday meetings, one being a coffee morning atÂ Â which a ten minute talk is given (TMT) and the other alternate meeting is a luncheon with a speaker who gives a 30 minute talk on their specialist subject.

We pay an annual subscription of Â£20, and take a voluntary collection at each meeting ,the proceeds of which goes annually to our designated charity.

Our Ladies are invited to â€œSpringâ€• and Christmas luncheons usually held at venues other than the BACK ROOMÂ

Â

We have days out during the summer.
