Cottingham Pavilion Announces Further Cancellation

After further discussions and in light of the government latest advice and as part of our efforts to reduce the spread of COVID-19 virus we have made the decision that we will be suspending the following activities, Tumble and Twist, Soft Play, Mini Soccer Skills and Gymnastics with immediate effect for the next six weeks.

Fit-Mums have cancelled their classes but for now all other external activities are still booked and operating.

The Hall and 3G Pitch will still be available for external users if needed; we are committed to support the people of Cottingham and surrounding areas.

We are offering booked parties the option of going ahead, move the date or a full refund.

Cottingham Pavilion will remain open and we are considering what we can do to support our community, please contact us if you need assistance.

The trustees will continue review this on a weekly basis and keep everyone updated.

We will miss everyone as we feel very much part of the community from the little kids at Soft Play and Parties to our friends who come in for their walking and football sessions.

We will keep going and we will continue to be a central hub for the people of Cottingham and East Riding

Cottingham Pavilion Announces Cancellation

At Cottingham Pavilion we want to make a difference in our community and as efforts to delay the spread of COVID-19 virus are stepped up, everyone needs to do everything they can to avoid contact with others, obviously for us this means suspending or cancelling any planned social events.Â

Therefore it is with great regret and after discussion with our team of Cottingham Pavilion Volunteers and Trustees it was decided that this year's Cottingham Pavilion's Easter Treasure Trail Event should be cancelled in line with government recommendations on large gatherings.

We will miss all the fun we have at Easter and look forward to welcoming everyone back for our even bigger and better Cottingham Pavilion's Easter Treasure Trail Event in 2021.
